

Management Development Programme (MDP)

NTPC School of Business (NSB) with the academic support of IIM Ahmedabad are proud to present our Management Development Programme (MDP) on “Inspiring Innovation & Intrapreneurship Within” to be held on Oct 15th-16th, 2020.

The main objective of our 2nd innovation and intrapreneurship workshop is to inspire innovation and intrapreneurship and equip the participants with the latest knowledge, frameworks and skills for practicing them as an individual and organizational culture. The transformation is most significant because the COVID-19 has thrown the entire business ecosystem into an existential uncertainty in India and in the world.

The key program highlights are:

Synergy among the imagination, creativity, innovation and intrapreneurships

Building an innovation and intrapreneurship mindset in challenging work environment

How may your organization inspire Innovation and Intrapreneurship within

Employee engagement for Innovation and entrepreneurship

Lifecycle of innovations and Intrapreneurships

Best practices and cases of innovations and Intrapreneurships.

Participants will listen to a rich galaxy of faculty from NTPC School of Business, IITs, IIMs, leading consulting firms, policy makers and innovation leaders.
